

Veteran Parking Program – Dallas Love Field

Love Field is pleased to offer complimentary self-parking to disabled veterans with vehicles displaying license plates with a Disabled Veteran (DV) or other Meritorious Military Honors designation.

Love Field follows the Texas Department of Transportation (TxDOT) toll waiver criteria when waiving self-parking fees for eligible veterans, who must be in a vehicle registered with the State of Texas and displaying a qualified specialty license plate. Qualifying Texas license plates are recipients of the Congressional Medal of Honor, Air Force Cross (Legion of Valor), Distinguished Service Cross (Legion of Valor), Army Distinguished Service Cross (Legion of Valor), Navy Cross (Legion of Valor), Purple Heart and disabled veterans who qualify and meet the requirements for a disabled veteran license plate.

To be eligible to participate in the Veteran Parking Program, Love Field requires that at the time of the transaction, the vehicle be:

- Registered with the State of Texas, Texas Department of Motor Vehicles;
- Issued a qualifying specialty plate and properly display the qualifying license plate;
- Operated for the use of the eligible veteran to whom it is registered; and
- Operate on a participating Love Field Parking Garage.

Am I eligible for the Veteran Parking Program?

To find out if you are eligible for one of the qualifying specialty license plates, visit the Texas Department of Motor Vehicles. Any problems or discrepancies with vehicle registrations or with specialty license plates must be resolved between the vehicle owner and the Texas Department of Motor Vehicles.

What parking areas are included in Love Field's Veteran Parking Program?

Complimentary Self-Parking is available in Garage A, Garage B, and Garage C. Please be careful to observe posted signage throughout the Garages as some spaces are restricted to all by time and vehicle type.

Note: Valet Parking Services, Premium Level and Reserved Spaces are not applicable to this program.

How do I participate in the Love Field's Veteran Parking Program?

Eligible veterans displaying a qualifying specialty license plate issued by the State of Texas will first need to opt out of NTTA Tolltag System access for Love Field (if applicable), and pull a parking ticket when entering the garage. Eligible veterans do not need to sign up or enroll to receive complimentary self-parking.

Please exit using an attended cashier lane to show proper identification and receive the benefit.

Feel free to contact the Parking Office for more information at 214-350-4881.

What if I'm a veteran but do not have a qualifying veteran's license plate?

Self-Parking fees will only be waived for vehicles displaying a qualifying specialty license plate.

What are the requirements to qualify for a disabled veteran license plate?

Veterans can apply for the specialty license plate if they are certified by the Veterans Administration to have a 50 percent service-related disability, or 40 percent due to amputation of a lower extremity. Details about how to apply for the plates are available at the Texas Department of Motor Vehicles website.

What if I have multiple cars? What about my spouse's car?

The qualifying veteran must be in the vehicle with an eligible specialty license plate for self-parking charges to be waived. Eligibility in the Love Field Veteran Parking Program is limited to vehicles which are registered with the State of Texas and displaying a qualifying specialty license plate, per Texas Transportation Code §372.053.
