A Love Note from Me to You...

Dear Neighbors,

Our preferential runway, 13R/31L(Denton), is currently closed for approximately 45 days to facilitate two airfield construction projects. The runway is tentatively scheduled to reopen Monday July 7, 2014. During the period of the closure, the Preferential Runway Program will be suspended.

In an effort to serve you better, Dallas Love Field has opened the Airport Communication Center (ACC) for your use. The ACC is currently staffed from 5am to 11pm to answer and direct your airport related concerns. Between the hours of 11pm and 5am, all calls will be transferred to the Airport Operations Communication Center. The current noise hotline number will be replaced with the ACC number, 214-670-LOVE (5683) so please spread the information to your neighbors and friends!

We are excited about the progress and changes that are taking place here at Dallas Love Field and we want you to be excited as well! If you are interested in some area that we are currently monitoring for our quarterly meetings of the LFEAC or if you have some particular interest in a time frame to be monitored, please let me know and I will try to accommodate that suggestion.

-Ms. Courtenay Shorter

Want to get involved?

The Love Field Environmental Advisory Council (LFEAC) meets once every quarter. Please join us for round-table discussion and updates!!!

Upcoming LFEAC Meetings:

Construction Activities

Taxiway Activities

Work continues on taxiways A, B, and D. As work continues along these taxiways, there will be some limitations on the access to the approach ends of RWY 13L/31R (Lemmon).

Taxiway D between Taxiway C and Taxiway P was closed Tuesday May 28, 2013 as work continues for the next phase of the Love Field Modernization Project (LFMP).

This phase of the project is expected to be completed in 2014 and it includes the demolition of Gates 4 through 15 of the west concourse and the baggage claim wing.
