A Love Note from Me to You...
by Ms. Courtenay Shorter

Museum Day Live! At Frontiers of Flight Museum

On Saturday September 27, 2014, Frontiers of Flight Museum will host the annual Smithsonian Magazine “Museum Day Live!” event. For the event, there will be WWII aircraft arriving and departing DAL to be on display at the museum and there is a possibility of a flyover for the event. Please be advised that this could result in increased noise in the area during the event. For more information about the event please visit www.flightmuseum.com

Optimized Airspace and Procedures in the Metroplex (OAPM)

On Thursday September 18, 2014, the Federal Aviation Administration (FAA) implemented a large number of Performance Based Navigation (PBN) procedures in the Dallas-Fort Worth Metroplex which includes Dallas Love Field. The PBN procedures are designed to enable aircraft operating at DAL to follow precise routes during the arrival and departures phases of flight.

This implementation of PBN procedures is a part of the Optimized Airspace and Procedures in the Metroplex (OAPM) initiative which is a major part of the FAA’s Next Generation Air Transportation System (NextGen) program.

Want to get involved?

We will have our quarterly LFEAC meeting Tuesday October 7, 2014 at 6:00pm. We will meet at the Department of Aviation administration building (7610 Aviation Place Dallas, Texas 75235) in Conference room B.

The Love Field Environmental Advisory Committee (LFEAC) meets quarterly. Please join us for roundtable discussion and updates!

We are excited about the progress and changes that are taking place here at Dallas Love Field and we want you to be excited as well! If you have ideas or suggestions, please let me know and I will try to accommodate that suggestion.
Construction Updates

Taxiway D between Taxiway C and Taxiway D1 was closed May 2013 as work continues for the next phase of the Love Field Modernization Project (LFMP).

This phase of the project is expected to be completed in 2014 and it includes the demolition of Gates 4 through 15 of the west concourse and the baggage claim wing.

Construction on Taxiway C continues and requires a lengthy portion to be closed along runway 13R/31L (Denton). This closure primarily affects arrivals in the south flow air traffic direction as it hinders arrivals on 13R/31L. Construction will continue through the first week of March 2015. Please see the airport diagram on page 3 for more information.

Runway Closures

Scheduled Runway Closures for Routine Maintenance

- Runway 13L/31R (Lemmon) will be closed Sunday September 28, 2014 at 11:00pm until Monday September 29, 2014 at 5:30am.
- Runway 13R/31L (Denton) will be closed Wednesday October 1, 2014 at 11:00pm until Thursday October 2, 2014 at 5:30am.

Scheduled Taxiway Closures for Routine Maintenance

- TWY L closed between TWY C6 and the approach end of RWY 13R/31L Monday September 29, 2014 through Thursday October 9, 2014. TWY L will remain open at TWYS C7 and C8.
- TWY B closed between TWY B5 and TWL P Friday September 26, 2014 at 11:00pm until Saturday September 27, 2014 at 5:00am.
- TWY B5 closed between TWY B and TWY D Friday September 26, 2014 at 11:00pm until Saturday September 27, 2014 at 5:00am.

Ongoing Airfield Closures

The following taxiways will remain closed until further notice:

- Taxiway D closed lighted and barricaded between TWY D1 and RWY 13R/31L until December 31, 2014.
- Taxiway C closed lighted and barricaded between TWY C3 and RWY 18/36 until March 15, 2015.
- Taxiway C between C2 and D closed to aircraft with wingspan greater than 118ft; prior permission is required from Airport Operations.

Total Arrivals for the week of Sept. 14–Sept. 20, 2014: 1646*
Total Departures for the week of Sept. 14–Sept. 20, 2014: 1717*

*Total arrival and departure counts include operations that are listed as “unknown” in the system due to radar coverage that doesn't correlate them with a runway in the Noise and Operations Monitoring System.

**Aircraft classified as other include military operations, non-scheduled commercial operations such as charter flights/air taxi, and helicopter operations.

In an effort to serve you better, Dallas Love Field has opened the Airport Communications Center (ACC) for your use. The ACC is currently staffed from 5am to 11pm to answer and direct your airport related concerns. If you are submitting an aircraft noise complaint please call the ACC at 214-670-LOVE(5683). Complaints may also be submitted through the airport’s aircraft noise and operations portal, PublicVue. To submit complaints through the PublicVue module, please visit www.dallaslovefield.com and click on “Aircraft Noise Complaints“.
