## Airport Tour

We want to thank our Art Program Coordinator Guy Bruggeman for coming out on his birthday in order to give the LFEAC members a tour of our facilities.

We also want to extend a special thanks to Rick Dalton of Southwest Airlines for providing a tour of their Training and Operations Support building. Everyone who attended seem to have a great time, and we were given an opportunity to learn a lot about the complexity of their role here at DAL. For those of you who did not get an opportunity to join us we will plan to do a Tour of TRACON around this time next year.
