WHEREAS, Dallas Love Field has completed a multi-year master plan update process; and

WHEREAS, short, medium, and long-term plans have been reviewed and studied; and

WHEREAS, plans have identified improvements to serve future demand, preserve and enhance the level of service for travelers, and maximize the use of existing Airport assets; and

WHEREAS, the master plan update process has included close coordination with the Federal Aviation Administration, City of Dallas stakeholders, airlines, and neighborhoods; and

WHEREAS, it is now desirable to authorize adoption of the Dallas Love Field 2015 Master Plan Update and the approval of the recommendations contained therein as an implementation guide for future airport development to support the forecasted operational demand.

Now, Therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DALLAS:

SECTION 1. That City Council hereby adopts the Dallas Love Field 2015 Master Plan Update and approves recommendations contained therein as an implementation guide for future airport development to support the forecasted operational demand.

SECTION 2. That this resolution shall take effect immediately from and after its passage in accordance with the provisions of the Charter of the City of Dallas, and it is accordingly so resolved.
