What is the Good Neighbor Program?

A way to connect with the community on future ideas and planning input

Create liveable, walkable and interconnected neighborhoods in our community

Operates in and around the airport with the mission to do all the good we can, in all the ways we can

Good Neighbor Program Goals

We are an airport that happens to be in the middle of a community, but.....

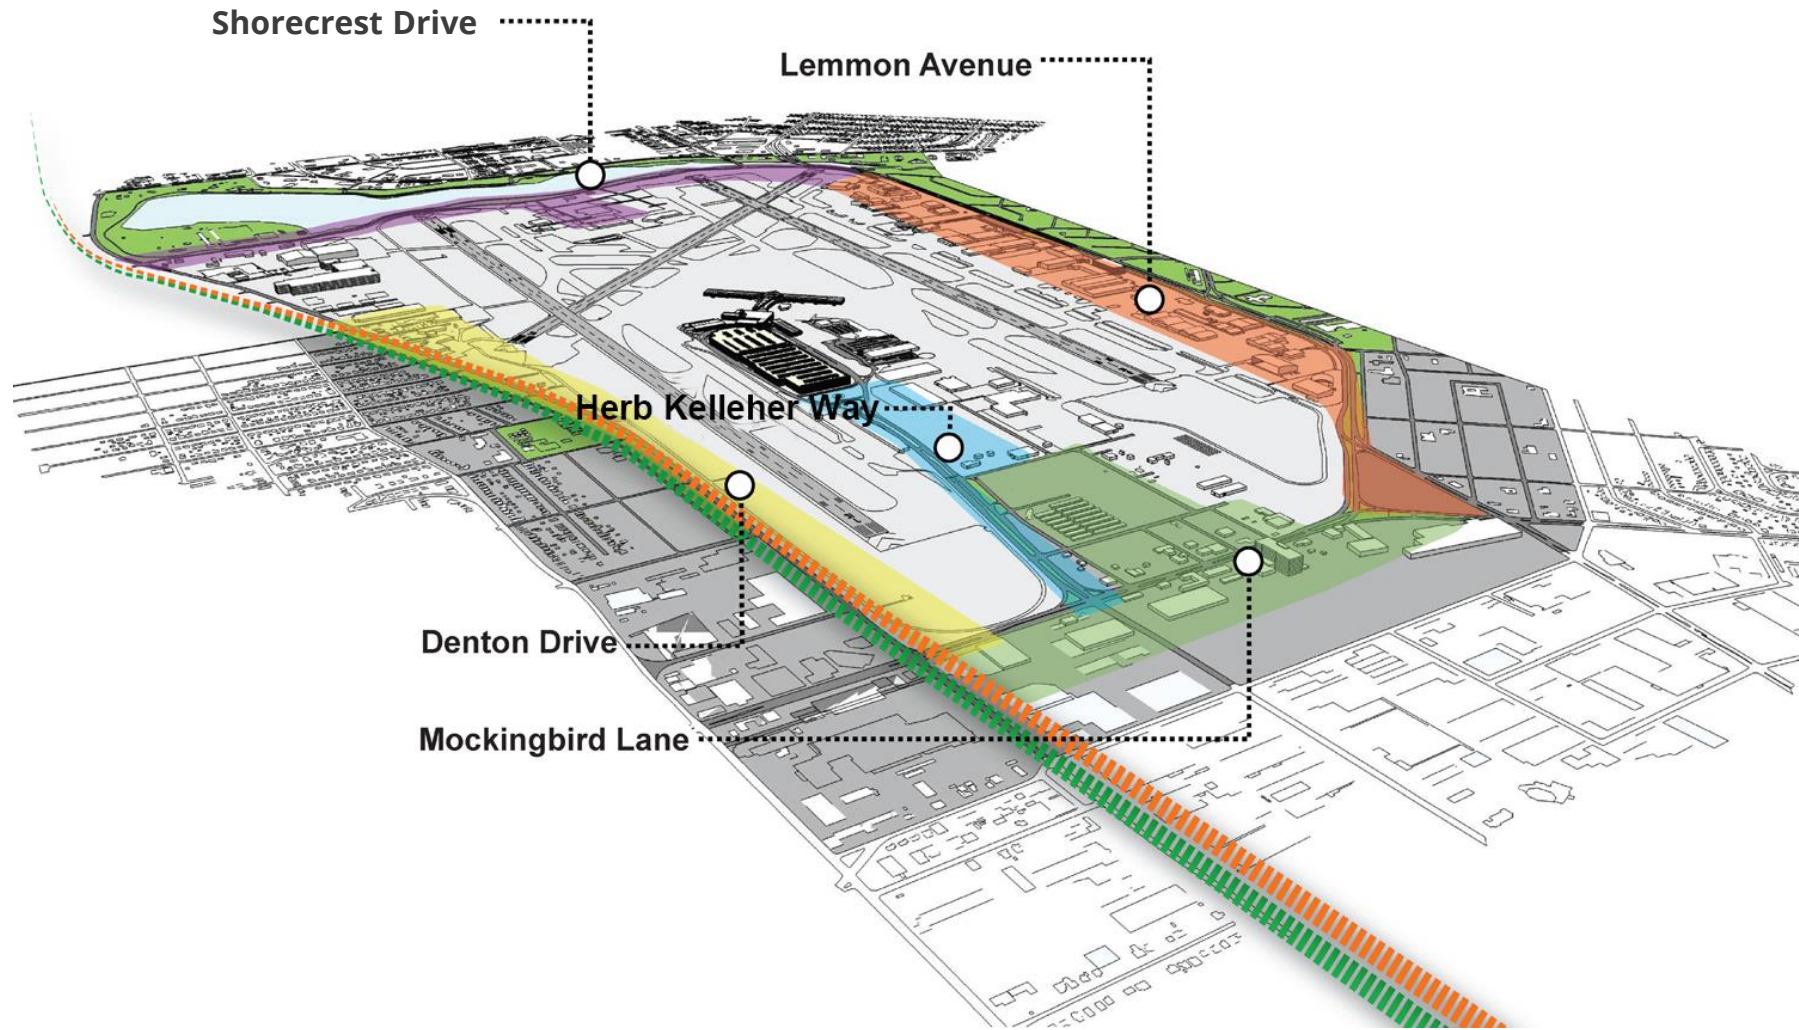

“Our goal is to be a community that happens to be located around an airport...”

- Mark Duebner, Director of Aviation

- Off-airport urban design
- Landscaping and beautification
- Parks, trails and recreational activities
- Signage and traffic improvements
- Pedestrian improvements

GNP Community Input Survey

The survey was launched at the last community meeting on Jan. 14 and remained open until March 31.

- Available in both English and in Spanish
- Developed to gain additional feedback on the program
- Obtained thoughts and ideas on project initiatives
- Gained insights on how to connect with the community

Community Input Survey - Outreach

The best engagement efforts are:

- Direct outreach - existing events
 - Community organizations
 - HOA meetings
 - Schools and activities
 - Volunteer and community service organizations
- Digitally via email and the following social media:
 - Nextdoor
 - Facebook
 - Twitter

Community Input Survey - Priorities

Top 3 Priorities in 2015

- Landscape / signage
- Pedestrian connection
- Buffers

Are these still the top 3 priorities?

From the total of 140 respondents, the remaining 37% of participants reported the following priorities:

- Noise abatement (from airport operations and from construction)
- Traffic congestion
- Bachman Lake/Park preservation
- Safety and security

Community Input

We believe in being a good neighbor to our community.

Are your priorities still the same or have they changed?

What would you like to see with community connections?

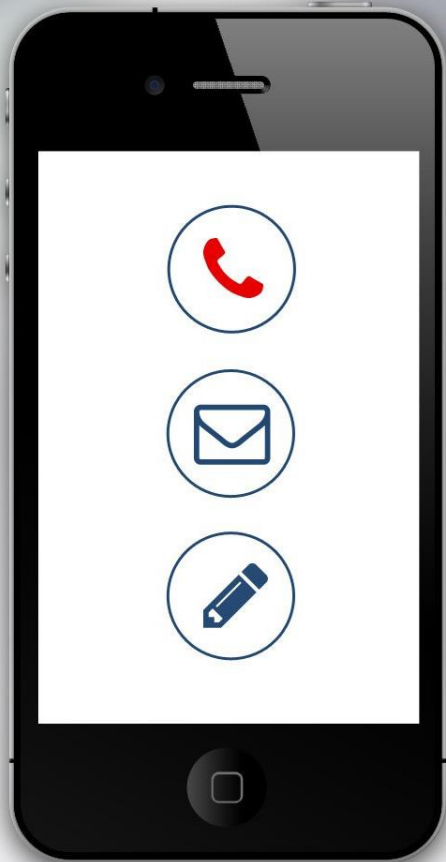

What else can make us a good neighbor?
