

Dear Dallas Love Field Users,

Effective January 1st, 2019, the City of Dallas has authorized Vector Airport Systems to begin the billing & collection of the General Aviation and Non-signatory Commercial Landing Fees on behalf of Dallas Love Field (DAL). Vector will bill these landing fees based on the time of aircraft departure and charge in accordance with the fee structure and policy specified by DAL airport staff. Vector also manages the General Aviation Customs Fee billing & collection program for Dallas love Field.

You can access the DAL GA landing fee structure by visiting:
<http://www.dallas-lovefield.com/>

Vector's billing self-service website allows aircraft operators to log into their accounts, view, and export to excel, request emailed copies of invoices, process credit card payments, and update contact information.

You can access the self-service webpage by visiting: <https://myaccount.vector-us.com> or by contacting Vector's Billing Service Team at: (888)-588-0028 or billing@vector-us.com.

If you have further questions, please contact Airport Administration Office at (214) 670-6299
